

Supervisor of Tower Cleanings and Disinfections

Position Description:

Part of the Service Team, this position would be responsible for overseeing all items related to tower cleanings and disinfections. The candidate will need to obtain and maintain a valid pesticide license in both the states of New York and New Jersey for use of products related to cooling towers. The position will require to supervise at least one assistant on a regular basis and manage part time help on an as needed basis.

Minimum Experience: High school diploma or equivalent and 3 years' minimum experience performing this work.

Duties will include the following:

- Surveying of cooling towers
- Frequent customer service
- Understanding of regulations and procedures
- Maintaining and repairing of all equipment used in tower cleanings
- Chemical testing
- Able to complete repairs (float assemblies, nozzle replacement, doors, studs, nuts, bolts and gaskets, and strainers)
- Ensure all employees performing the duties under this position have the appropriate safety equipment, and know how and when to use each item
- Perform routine training on the proper method for cleaning towers and performing disinfections
- Proper completion and timely return of all required paperwork to perform the duties of the position.
- Perform routine and emergency tower cleaning and disinfections to the standard of Tower Water.
- Keeping track of cleaning calendar.

Physical Requirements – Applicant must be able to:

- Work in high locations (not afraid of heights).
- Lift 75 lbs
- Climb stairs while lifting 75 lbs
- Fit in and use required safety equipment
- Work required overtime
- Work in inclement weather/conditions (20°F to 115°F)

- See in 20/20 vision (with or without glasses or contacts)
- Be conscious of surroundings

Skill Set Required – Applicant must possess the following abilities:

- Must be reliable
- Must exhibit a “can do” attitude in all facets of the business
- Must understand the value of reputation
- Must be passionate about life, and eventually what we do
- Must be responsive to the customers and other employees
- Must be able to read, write and do math in English at a high school level
- Must have adequate verbal communication skills and vocabulary in English (adult level)
- Must be punctual
- Must be able to assist with other jobs when asked
- Must maintain and be responsible for company equipment
- Must uphold the company standards and handbook guidelines
- Must be detailed oriented
- Must be able to manipulate schedule in a short time frame

Certifications Required

- Valid driver’s license in good standing
- Forklift Certification*
- OSHA*
- NJ & NY Pesticide Applicator License*

* Tower Water will train for these certifications

Compensation:

- Starting salary is \$25.00 per hour (higher rates based on experience and certification)
- Health benefits (including dental & vision) after ninety (90) days of employment
- Eighty (80) PTO hours per year to be escalated based upon years of employment
- 401(k) after one (1) year of employment
